

Thirty firms named Best Places to Work

Ten large companies and 20 small and mid-sized firms will be recognized as the "Best Places to Work in Illinois" at an evening reception June 13 at Danada House in Wheaton.

The top-to-bottom rankings of the selected companies—from 1-10 in the large division, from 1-20 in the smaller—will be revealed at that time.

The rankings were determined through a criteria developed by Best Companies Group, of Harrisburg, Pa., following employee surveys and interviews.

"We are pleased to recognize the best places to work in our state," said James E. Elsener, president of Ledger Publishing, Inc., and publisher of The Business Ledger.
